

# Mohit Kuril

## Front - End Developer

mohitkuril5@gmail.com

+91 7794086714

Front-end developer with 2.5 years of experience specializing in responsive web design and user-friendly web applications. Proficient in modern technologies like ReactJS, Redux, JavaScript, and Tailwind CSS, with a proven track record of building e-commerce platforms and dynamic data management systems. Skilled in optimizing websites for desktop and mobile devices to enhance user engagement and collaborating with design tools like Figma to create visually appealing interfaces.

## WORK EXPERIENCE

### Project Engineer Wipro.Ltd

12/2021 - 05/2023

Hyderabad, India

#### Achievements/Tasks

- Developed a project schedule that provided a timeline for each task and milestone, allowing for timely completion of the project. Monitored project progress and identified potential risks, enabling proactive problem-solving to prevent delays. Collaborated with cross-functional teams to ensure alignment of project goals and objectives. Developed project plans and guidelines that provided a roadmap for successful completion of the project. Created a project budget that identified all resources and costs, ensuring that the project was completed within budget.

### Front-End Developer KR PETEYE.LLP

01/2024 - Present

Hyderabad, India

#### Achievements/Tasks

- Developed responsive websites optimized for desktop and mobile devices. Built interactive user interfaces using HTML, CSS, JavaScript, ReactJS, and Tailwind CSS. Designed and implemented a data management system for dynamic web applications, ensuring seamless user interactions. Contributed to the development of an e-commerce platform, integrating advanced UI/UX features to enhance the shopping experience. Collaborated with designers using Figma to transform mockups into functional web pages. Utilized version control systems such as Git to manage code changes and collaborate with other developers.

## EDUCATION
